## EXPERIENCE IN THE RING

Having many years' experience in the ring, I have been able to learn and grow from watching and admiring so many other competitors. This has enabled me to form my own opinion of what looks and works well, both mechanically and aesthetically. I believe my addictive nature and meticulous attention to detail has aided in my ability to self-criticize and improve my performance.

Establishing and maintaining precise skill, aesthetic desire and superior class, require dedication and quality products. I am meticulous about appearance, vigilant with schooling, and feel the strong need to constantly review and perfect all areas pertaining to my performance.

I Currently have a team of Show horses in work, in conjunction with my Daughters, Dallas and Reegan Merry and very long standing friends Gaye and Shauna Chaplin, we have 2 Hunter Hacks, 2 Hunter Galloways, a Hunter Pony a Shetland and many more upcoming stars.

My Passion is for the Show Hunters, true to type, quality animals.

I aim to breed and present the epitome of Show Hunters and 2017 resulted in my foal receiving the ACE Tour winning Score of 90%
