The **PURPOSE** of the policy is to:

- give candidates a framework to qualify for the Team; and
- give the selection panel a group of qualified candidates to put forward to the Board for team selection

The **OUTCOME** of the policy is that ENT will send a high-performance team to the Australian Interschool Championship.

Every effort will be made to announce the selection outcome within 5 business days of close of the qualification period.

In accordance with EA National Rules, riders may compete at the Australian Championships event in more than one sport (discipline).

Where the selected rider is unable to take their own horse/s, riders will have the option of:

- a) finding their own suitable horse (e.g.: borrowing a suitable horse through their own contacts) as endorsed by the Board, or
- b) Seeking a pool horse from the host state (requested through the Board) – if pool horses are offered.

It must be noted that the supply of pool horses is not guaranteed. The supply of pool horses is at the sole discretion of the host state.

Riders will only be permitted to compete in classes for which they been selected and in accordance with the EA Australian Interschool Championship entry terms and conditions.

Please note: the host state determines the entry terms and conditions and remain silent until the entries are published.

Horses are required to hold current EA registration to attend the Australian Interschool Championship.

Whilst each State/Territory can nominate up to 4 riders in each class, ENT reserves the right to reduce or limit the number of riders selected for each class as it sees fit.

The 2023 qualifying period is **1 August 2022 to 31 July 2023**.

It is the responsibility of the rider and/or parent to supply Interschool NT with all with the rider's application for selection including mandatory qualifying results correctly completed on the specified result form prior to **6pm on 31 July 2023**. Late, incorrect, or incomplete nominations will not be accepted.

All riders must be accompanied by a parent/guardian at the Australian Interschool Championship. The rider must be a current competitor member of ENT. The nominated guardian can be a current member of ENT and/or another state branch. All parties, including spectators and supporters must adhere to the *EA Code of Conduct*.

To be considered for selection, the minimum standard described below must be achieved during the qualifying period. Qualifying classes may be official EA classes or classes at events conducted by an ENT affiliate and/or another state branch affiliate, these events may include unofficial classes and may be held anywhere in Australia.

Training, practice, freshman's days and any virtual activities/competitions are not eligible to be considered as qualifying classes for the purpose of this policy.
